

MICROBIOLOGY AND MOLECULAR BIOLOGY REVIEWS

VOLUME 65 • SEPTEMBER 2001 • NUMBER 3

Jack D. Keene, Editor in Chief (2005)
Duke University Medical Center

Specialties: Molecular virology, auto-immunity, molecular diversity, RNA

Norma W. Andrews, Editor (2003)
Yale University School of Medicine

Specialties: Cell biology of host-pathogen interactions, biology of parasitic protozoa

Marian Carlson, Editor (2006)
College of Physicians and Surgeons of
Columbia University

Specialties: Eukaryotic gene regulation, yeast molecular genetics

Roy Doi, Editor (2003)
University of California, Davis

Specialties: Biotechnology, biomass degradation, prokaryotic transcription

N. Louise Glass, Editor (2004)
University of California, Berkeley

Specialty: Molecular genetics of filamentous fungi

Ralph R. Isberg, Editor (2003)
Tufts University School of Medicine

Specialties: Bacterial pathogenesis, intracellular microorganisms, mechanisms of phagocytosis

Edward G. Ruby, Editor (2004)
University of Hawaii

Specialties: Physiology and molecular genetics of cooperative bacterium-host interactions, marine microbiology

David A. Stahl, Editor (2003)
University of Washington

Specialties: Microbial ecology and evolution, phylogeny, and taxonomy

Jeremy W. Thorner, Editor (2006)
University of California, Berkeley

Specialties: Eukaryotic cell biology and biochemistry, yeast molecular genetics

Beth A. Traxler, Editor (2004)
University of Washington

Specialties: Microbial genetics, protein folding and localization, plasmid biology

Samuel Kaplan, Chairman, Publications Board

Linda M. Illig, Director, Journals

Arthur Gelmis, Production Editor

Kristin H. Jacobson, Assistant Production Editor

Microbiology and Molecular Biology Reviews considers for publication both solicited and unsolicited reviews and monographs dealing with all aspects of microbiology. Manuscripts, proposals, and correspondence regarding editorial matters should be addressed to the Editor in Chief, Jack D. Keene, Department of Microbiology, Box 3020, Duke University Medical Center, Durham, NC 27710; phone (919) 684-5138; fax (919) 684-8735.

Microbiology and Molecular Biology Reviews (ISSN 1092-2172) is published quarterly (March, June, September, and December), one volume per year, by the American Society for Microbiology (ASM), 1752 N St., N.W., Washington, DC 20036-2904. Nonmember print subscription prices (per year) are: \$320, U.S.; \$326, Canada (plus 7% GST, or 7% GST + 8% HST where applicable); \$343, Europe; \$344, Latin America; \$345, rest of world. Member print subscription prices (per year) are: \$48, U.S.; \$54, Canada (plus 7% GST, or 7% GST + 8% HST where applicable); \$64, Europe; \$65, Latin America; \$66, rest of world. Single copies are: \$50, nonmember; \$20, member (Canadians add 7% GST, or 7% GST + 8% HST where applicable). For prices of electronic versions, contact the Subscriptions Unit, ASM. Correspondence relating to subscriptions, defective copies, missing issues, and availability of back issues should be directed to the Subscriptions Unit, ASM; correspondence relating to reprint orders should be directed to the Reprint Order Unit, ASM; and correspondence relating to disposition of proofs and general editorial matters should be directed to the Journals Department, American Society for Microbiology, 1752 N St., N.W., Washington, DC 20036-2904. Phone: (202) 737-3600.

Claims for missing issues from residents of the United States, Canada, and Mexico must be submitted within 3 months after publication of the issues; residents of all other countries must submit claims within 6 months of publication of the issues. Claims for issues missing because of failure to report an address change or for issues "missing from files" will not be allowed.

Periodicals postage paid at Washington, DC 20036, and at additional mailing offices.

POSTMASTER: Send address changes to *Microbiology and Molecular Biology Reviews*, ASM, 1752 N St., N.W., Washington, DC 20036-2904.

Made in the United States of America. Printed on acid-free paper.

DOI: 10.1128/MMBR.65.3.2001
